

Esports BTEC

Why Study this course?

- The Esports industry is a fast-growing global industry of competitive video gaming
- This cutting-edge qualification, BTEC Level 3 Extended Certificate (equivalent to 1 A Level), is a rigorous and intensive vocational course which is 100% internally assessed, subject to external standards verification.
- It would complement the other BTEC courses we offer, such as BTEC IT and BTEC Business.
- This qualification includes a breadth of transferable skills that enable you to experience different areas of esports to aid your progression and employment. These include the development of teamwork, communication, leadership skills, decision making, reading comprehension skills and cyber skills. These are skills that are highly valued in the changing fluid workspace.

What You'll Study

You will study mandatory units

- Introduction to Esports
- Esports Skills, Strategies and Analysis
- Enterprise and Entrepreneurship in the Esports Industry
- Health, Wellbeing and Fitness for Esports Players

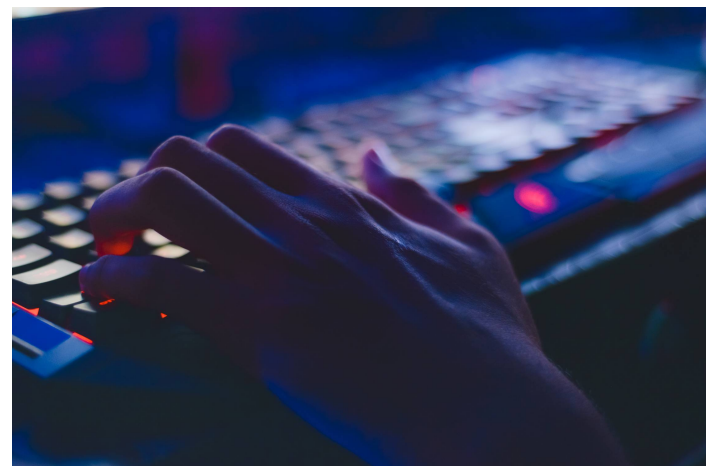

Reasons for choosing Esports

The \$100bn gaming and multimedia industries have a wealth of career opportunities available, from development to marketing, production to events management. This flexible qualification will help you discover and refine your skills, to help you get ahead in your career.

Esports has created thousands of new jobs across the world. This, in turn, is creating a fresh demand for people with specific skills. The course could enable you to realise the Esports career of your dreams!

Career Progression

- Allows students to progress to Higher Education or a career in a variety of esports areas such as creative, production based degrees and theoretical studies in areas such as branding, coaching, strategy data analyst and entrepreneurship.
- You can progress to higher-education degree programmes, such as BA (Hons) in Events Management, BA (Hons) in Media or a BA (Hons) in Esports.
