

Welcome to our Library (ILC)

Our library (ILC) is a comfortable working space. There are lots of books for you to loan and comfy areas for you to enjoy reading. Our Sixth form mentors can often be found here helping students with their learning!

The ILC is open at lunch time for you to make use of the computers or find a quiet space to read. To do this, head there at break time to get an ILC lunch pass stamped in your planner. This will allow you to go and enjoy your lunch before returning inside to use the ILC.

Homework club is supervised in the ILC until 4pm each day!
